

Portsmouth High School Announces The 2008 Algebra 1, Algebra 2 and 9th Grade Physics First Ramp-Up Program

At Portsmouth High School we are committed to helping students prepare for the study of Algebra 1, Algebra 2 and Physics First. Algebra 2 is required by most four-year colleges and is included on the new SAT. Come spend some mornings with us in August and get refreshed in the study of Algebra and Physics through the completion of hands-on experiments. This opportunity is offered **at no cost to you!!**

Teachers: Scientists and engineers from Raytheon Corporation
 Dates: Monday – Friday mornings; August 4th – 8th
 Hours: 8:00am – 10:00am
 Location: Portsmouth High School H- Wing

This program is offered FREE OF CHARGE!!! It is a proven strategy for improving performance in Algebra 2!

Registration Form: Algebra 2/Physics First Ramp-Up Program at Portsmouth High School
IMPORTANT: PLEASE RETURN TO PHS MAIN OFFICE BY JULY 23RD.

Circle the math course you will be taking in September 2008: **Algebra 1** **Algebra 2**
